Sir:

Submitted herewith is a copy of the FILING RECEIPT (Form PTO-103X) received in the above-identified application. Upon inspection of the FILING RECEIPT, it was noted that a street name inadvertently appears instead of the city ("Mesa") for the third-listed inventor; the continuing data is missing; and that a typo appears in the TITLE, all of which were properly indicated in the UTILITY PATENT APPLICATION TRANSMITTAL, including its attachments, filed by Applicants on March 19, 1999. The corrected and missing information is noted in red ink on the attached copy of the FILING RECEIPT, and the entry requested for addition on the continuity data in particular is as follows:

-- CONTINUING DATA AS CLAIMED BY APPLICANT--
THIS APPLN IS A DIV OF 08/988,215 12/10/97 --

Since these errors are not attributable to Applicants, it is submitted that no fee is required for processing this request.

Respectfully submitted,
